

PRESS RELEASE

## SUPREMEX TO REPURCHASE SHARES UNDER NCIB

**Montreal, Quebec, June 26, 2015** – Supremex Inc., Canada's largest manufacturer and marketer of a broad range of stock and custom envelopes and growing provider of packaging and specialty products, is pleased to announce that it has received approval from the Toronto Stock Exchange ("TSX") to purchase its own shares by way of a normal course issuer bid (the "NCIB"), for cancellation.

### **Normal Course Issuer Bid**

Supremex has received approval from the TSX to purchase by way of a NCIB, for cancellation, up to 1,435,000 of its common shares, representing approximately 5.0% of its 28,750,967 issued and outstanding common shares as of June 19, 2015.

From May 12, 2014 until May 11, 2015, Supremex has purchased by way of a NCIB, for cancellation, 209,900 of its common shares for a total consideration of \$576,381.

Purchases under the NCIB will be made through the facilities of the TSX or alternative trading facilities in Canada, if eligible, in accordance with applicable securities laws and regulations, over a maximum period of 12 months beginning on July 2<sup>nd</sup>, 2015 and ending on July 1<sup>st</sup>, 2016.

The average daily trading volume of Supremex' common shares over the six (6) calendar months prior to the date hereof was 54,594. Accordingly, Supremex is entitled to purchase, on any trading day, up to 13,648 common shares representing 25% of such average daily trading volume. In addition, Supremex may make, once per week, a block purchase (as such term is defined in the TSX Company Manual) of common shares not directly or indirectly owned by insiders of Supremex, in accordance with TSX rules.

Purchases under the NCIB will be made by means of open market transactions or such other means as the TSX or a securities regulatory authority may permit, including pre-arranged crosses, exempt offers and private agreements under an issuer bid exemption order issued by a securities regulatory authority.

The price to be paid by Supremex for any common share will be the market price at the time of acquisition, plus brokerage fees, or such other price as the TSX may permit. In the event that Supremex purchases common shares by private agreements, the purchase price of the common shares will be at a discount to the market price of the common shares at the time of the acquisition.

Supremex also announced that it has entered into an automatic purchase plan ("APP") agreement with a broker to allow for the purchase of its common shares under the NCIB at times when Supremex ordinarily would not be active in the market due to self-imposed trading blackout periods. Before entering into a blackout period, Supremex may, but is not required to, instruct the designated broker to make purchases under the NCIB in accordance with the terms of the APP. Such purchases will be determined by the broker in its sole discretion based on parameters established by Supremex prior to the blackout period in accordance with TSX rules, applicable securities laws and the terms of the APP. The terms of the APP have been pre cleared by the TSX. Outside of these pre-determined blackout periods, common shares will be purchased in accordance with management's discretion.

Supremex believes that the purchase by it of its own common shares may represent a responsible and advisable use of its funds on hand to increase shareholder value.
