SUPREMEX ANNOUNCES RENEWAL OF NORMAL COURSE ISSUER BID

Montreal, Quebec, August 3, 2018 – Supremex Inc. ("Supremex" or the "Company") (TSX: SXP), a leading North American manufacturer and marketer of envelopes and a growing provider of packaging and specialty products, is pleased to announce that it has received approval from the Toronto Stock Exchange ("TSX") to purchase its own shares by way of a normal course issuer bid (the "NCIB"), for cancellation.

About the Normal Course Issuer Bid

Supremex has received approval from the TSX to purchase by way of a NCIB, for cancellation, up to 500,000 of its common shares, representing approximately 1.77% of its 28,305,469 issued and outstanding common shares as of July 31, 2018.

From August 3, 2017 until July 31, 2018, Supremex has purchased by way of a NCIB through the facilities of the TSX and alternative trading facilities in Canada, for cancellation, 177,142 of its common shares out of a maximum approved of 500,000 common shares, at a weighted average price of \$3.75.

Purchases under the NCIB will be made through the facilities of the TSX or alternative trading facilities in Canada, if eligible, in accordance with applicable securities laws and regulations, over a maximum period of 12 months beginning on August 8, 2018 and ending on August 7, 2019.

The average daily trading volume of Supremex' common shares over the six (6) calendar months prior to the date hereof was 35,851. Accordingly, Supremex is entitled to purchase, on any trading day, up to 8,962 common shares representing 25% of such average daily trading volume. In addition, Supremex may make, once per week, a block purchase (as such term is defined in the TSX Company Manual) of common shares not directly or indirectly owned by insiders of Supremex, in accordance with TSX rules.

The price to be paid by Supremex for any common share will be the market price at the time of acquisition plus brokerage fees.

Supremex has entered into an automatic purchase plan ("APP") agreement with a broker to allow for the purchase of its common shares under the NCIB at times when Supremex ordinarily would not be active in the market due to self-imposed trading blackout periods. Before entering into a blackout period, Supremex may, but is not required to, instruct the designated broker to make purchases under the NCIB in accordance with the terms of the APP. Such purchases will be determined by the broker in its sole discretion based on parameters established by Supremex prior to the blackout period in accordance with TSX rules, applicable securities laws and the terms of the APP. The terms of the APP have been pre cleared by the TSX. Outside of these pre-determined blackout periods, common shares will be purchased in accordance with management's discretion.

Supremex believes that the purchase by it of its own common shares may represent a responsible and advisable use of its funds on hand to increase shareholder value.
