

CHARTER OF THE BOARD OF DIRECTORS

I. PURPOSE

This charter prescribes the role the board of directors (“**Board**”) of Supremex Inc. (“**Supremex**”). This charter is subject to the provisions and the articles of incorporation and by-laws of Supremex and to applicable laws. This charter is not intended to limit, enlarge or change in any way the responsibilities of the Board as determined by articles of incorporation and by-laws and applicable laws. The Board members are elected annually by the shareholders of Supremex and together with those appointed to fill vacancies or appointed as additional Board members throughout the year, collectively constitute the Board.

II. ROLE

The prime stewardship responsibility of the Board is to ensure the viability of Supremex and to ensure that it is managed in the interests of the shareholders as a whole.

The Board establishes the overall policies for Supremex shareholders, monitors and evaluates Supremex’ strategic direction, and retains plenary power for those functions not specifically delegated by it to its Committees or to management. Accordingly, in addition to the powers and authorities conferred upon and to the duties of the directors of a Canadian corporation as prescribed by applicable laws, the mandate of the Board is to supervise the management of the business and affairs of Supremex with a view to evaluate, on an ongoing basis, whether Supremex’ resources are being managed in a manner consistent with enhancing shareholder value, ethical considerations and stakeholder’s interests. In discharging their duties, Board members must act honestly and in good faith, with a view to the best interests of Supremex. Board members must exercise the care, diligence and skill that a reasonably prudent person would exercise in comparable circumstances.

III. COMPOSITION

Selection

The Board shall be comprised of that number of Board members as shall be determined from time to time by the Board upon recommendation of the Corporate Governance Committee of the Board.

The Corporate Governance Committee of the Board maintains an overview of the desired size of the Board, the need for recruitment and the expected skill-set of the new candidates. The Chair of Corporate Governance Committee together with the Chairman of the Board and the President and CEO reviews and recommends to the Board the candidates for nomination as Board members. The Board approves the final choice of candidates for nomination and election by the shareholders.

Board members must have an appropriate mix of competencies, knowledge and experience in business and an understanding of the geographical areas in which Supremex operates. Board members selected should be able to commit the requisite time for all of the Board’s business.

Chairman and Lead Member

A Chairman of the Board shall be appointed by the Board. If the President or any senior executive of Supremex is also the Chairman of the Board, a Lead Member to the Board shall be appointed among the Board’s independent members. The Lead Member shall ensure that the Board carries its responsibilities effectively and its role and responsibilities shall be set out in a written charter.

Independence

A majority of the Board shall be composed of Board members who must be determined to have no material relationship with Supremex and who, in the reasonable opinion of the Board, must be independent under the laws, regulations and listing requirements to which Supremex is subject.

Criteria for Board membership

Board members are expected to possess the following characteristics and traits:

- (a) demonstrate high ethical standards and integrity in their personal and professional dealings;

Term limits and retirement age for Board members

The Board has determined that neither fixed term limits nor a compulsory retirement age for board members should be established. The Board is of the view that such a policy would have the effect of forcing board members off the Board who have developed, over a period of service, increased insight into Supremex and who, therefore, can be expected to provide an increasing contribution to the Board. At the same time, the Board recognizes the value of some turnover in Board membership to provide on-going input of fresh ideas and views. The Board will therefore use the formal evaluation of its Board members every second year to consider the appropriate term limitations, if any.

IV. COMPENSATION

The Board determines that the Board members should be compensated in a form and amount which is appropriate and which is customary for comparable corporations, having regard for such matters as time commitment, responsibility and trends in director compensation. Information and materials that are important to the Board's understanding of the agenda items and related topics are distributed in advance of a meeting. Supremex will deliver information on the business, operations and finances of Supremex to the Board on an as-required basis.

On the occasion of each Board meeting, independent Board members will meet *in camera* under the chairmanship of the Chairman or the Lead Member, if any. IX. BOARD INTERACTION WITH THIRD PARTIES

If a third party approaches a Board member on a matter of interest to Supremex, the Board member should bring the matter to the attention of the Chairman who shall determine whether this matter should be reviewed with management or should more appropriately be dealt by the Board *in camera* session.

X. COMMUNICATION WITH THE BOARD

Shareholders and other constituencies may communicate with the Board and individual Board members by contacting any one of the Chairman of the Board, the Chair of the Audit Committee, the Chair of the Human Resources Committee or the Chair of the Corporate Governance Committee.

XI. OTHER MATTERS

The Board expects Board members, as well as officers and employees of Supremex to act ethically at all times and to acknowledge their adherence to the policies comprising the Code of Business Ethics and Conduct (the "**Code**"). The Board, with the help of the Corporate Governance Committee, is responsible for monitoring compliance with the Code.

Board members shall disclose all actual or potential conflicts of interest and refrain from voting on matters in which the Board member has a conflict of interest.
